Sir,

With reference to your letter No. J. 2688/Legis 40-06-2 dated 5th March 1907, in re the change of designation of the Anglo-Indian Association at Whitefield, I have the honor to state that the Association known as the Anglo-Indian Association at Whitefield originally was one with the Eurasian and Anglo-Indian

Association

Association of Mysore [redacted]
(Ld). But owing to dissension
among the members with re-
ference to the management
of the affairs of the Whitefield
Colonists, the Branch Association
at Whitefield separated itself
from the Parent Association and
was constituted into an inde-
pendent body in 1905, under-
taking to manage the general
affairs of the Colonists. Before
this Association came into
existence the interests of the
Whitefield Colonists were
identical with those of the
general body of the Anglo-India
Residents in the Mysore Province
and the Government recognised
only the original Association as the
representatives of the Eurasian
and

10

and Anglo. Indian Community in Mysore.

The present application by the Association at Whitefield for a change of designation seems to be made with a view to prevent the misunderstandings that are likely to crop up between the Parent Association whose name it bore hitherto and the Branch Association whose interest is purely local and confined to the Colonists of Whitefield. As the Parent Association appears strongly to this branch being instituted, I am strongly of opinion that it should not be recognised by Government
